# Fuel savings checklist

## › for owner-operators using the 10-4 by WEX® app

### Download the 10-4 by WEX app

- [ ] Available on both Android (Google Play) and iPhone (iOS)
- [ ] No transaction or monthly fees

### Set up your account

- [ ] Use any debit or credit card (fuel cards not currently accepted)
- [ ] Scan your card with your camera to add it in seconds

### Find fuel discounts near you

- [ ] Use the app to locate participating truck stops, including Love's, TA, Sapp Bros., AMBEST, Road Ranger, 7FLEET, and more!
- [ ] Plan your route, and choose your station with savings in mind

### Lock in your discount

- [ ] **Step #1:** Choose your station
- [ ] **Step #2:** Choose the number of gallons you plan to purchase
- [ ] **Step #3:** Purchase fuel and access a fuel code to use at the pump (price locked in for 12 hours)

### Pump and pay with ease

- [ ] Enter your fuel code at the pump
- [ ] Fill your tank (payment is automatically applied to your card through the app)
- [ ] Track your fill-up and savings directly in the app

### Boost savings with every fill-up

- [ ] Earn one point per gallon for every fillup
- [ ] Points earned this month can lock in rewards for the next month
  - **Bronze** (500 points) → +1¢/gallon
  - **Silver** (1,000 points) → +3¢/gallon
  - **Gold** (1,500 points) → +5¢/gallon

### Invite friends and save more

- [ ] Share the 10-4 by WEX app with fellow truckers: Get your referral code in your dashboard. Have them use your referral number to document that you referred them
- [ ] When they register with your code and fill up for the first time, you'll earn 250 points toward next month's rewards tier

### Track your savings over time

- [ ] Monitor every dollar saved per gallon
- [ ] Review every transaction within the app, and export transaction reports any time
