

# Powering Australian fuel retailers of all sizes nationwide

WEX, the technology powering one of Australia's largest fuel card networks – WEX Motorpass – is also behind numerous branded fuel programs nationwide. For more than 40 years, we've been:

**Simplifying business operations** to bring more customers through your door and drive sales, from fuel pumps to store shelves

**Integrating more secure, innovative technology and systems** to keep your business running and able to scale easily

**Enabling 24/7 trading** and a seamless customer experience with Pay at Pump

**Offering financial flexibility** so you can keep cash flow to invest in what matters most

Our unique suite of innovations is designed to help retailers of all sizes achieve strong growth outcomes. By partnering with us, you can access:

**Tailored card solutions:**

Bespoke branded card programs, both physical and digital, designed to engage your customers

**Digital experiences that boost driver loyalty:**

Encourage more visits with **Driver App** and facilitate 24/7 sales with **Pay At Pump**

**Innovative payment solutions:**

Integrated terminals, including outdoor payments, to keep your business running

**Funding solutions for white cards, bulk fuels and more:** All with flexible payment terms
