Widely accepted

One of Australia's most widely accepted fuel cards, used at over 95% of service stations across the country.

Spend control

You choose how your cards are used with a range of customisable spend controls.

Effortless reporting

Simple, consolidated, and ATO compliant statements developed to meet your business needs.

Wide range of partner benefits

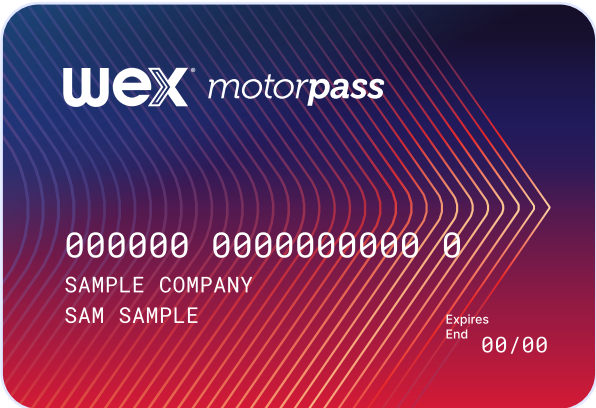

You can save money with our wide range of partner benefits that include deals and discounts on tyres, batteries, servicing and even accommodation.

Spend controls

Security and card controls

Set PIN codes, get security alerts, and update multiple card controls whenever you like. You get to decide whether your card is used for fuel or oil only, all vehicle expenses, or all products.

You can choose which types of purchases are made on your cards:

A WEX Motorpass card may have any combination of the below restrictions:

Fuel and oil only

All vehicle expenses

All products

Oil

Premium

Unleaded

Diesel

LPG

Service
and Repair

Car wash

Tyres

Roadside
assistance

Accommodation

Shop

Taxi

You can pay more of your business related expenses through your WEX account.

Bill Payment Service allows you to use the same line of credit to pay for all business expenses, even if they're not in the WEX network.

Effortless reporting

Manage your finances with ease:

Swap the piece of paper for peace of mind. Simple statements make everything easier with:

- **Get regular statements** presented in a clear easy to read format
- **Itemisation** — everything from petrol, servicing, repairs, to taxis and accommodation
- **Statements are Australian Tax Office (ATO) compliant** as tax invoice equivalents — meaning no more receipts
- **Separation of GST and non-GST items**
Summary of spend per account and per card
- **Capture detailed data** such as vehicle ID, driver ID and odometer readings

Accessibility

Online, mobile and a dedicated onshore customer service team

WEX Motorpass is tailored to your needs and you can access your account at any time.

Your online account:

Your WEX online account includes the following functions:

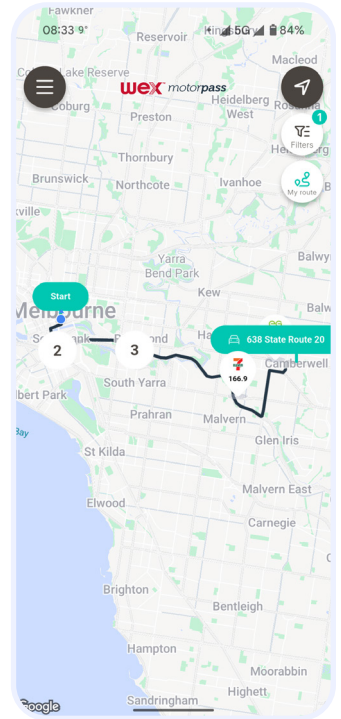

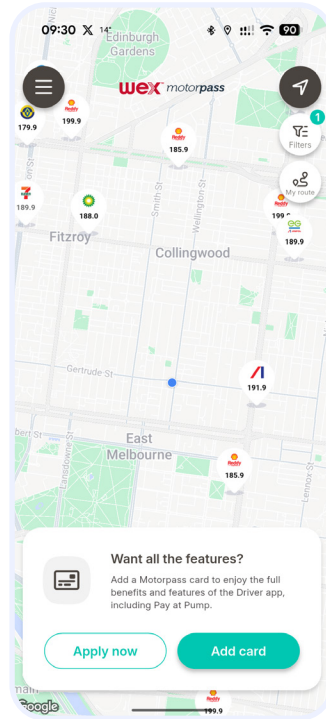

- Enables businesses to access detailed transaction history, monthly statements, usage patterns, and fuel consumption reports.
- View your account details, run reports, request receipts and replacement cards, manage card controls, and so much more.

Driver App

The Driver App helps you find the cheapest and closest fuel along your trip, plan the ideal route for long trips, and locate fuel deals and other offers. It's more than just an app, it's your co-pilot.

Say goodbye to long queues with our cutting-edge Pay at Pump technology, which simplifies fueling, empowers drivers and improves fleet efficiency. Refuel smarter, not harder.

Real-time fuel prices*

Never pay more than you need to again. Real-time fuel prices mean you won't be kicking yourself for not going down the road. The Driver App will show you where the best bang for your buck is in your area.

Advanced route planning

Goodbye guesswork. Our advanced route planning provides the right route for fleets to get from A to B in the most timely and efficient way.

Pay at Pump

Skip the queue and get back to what you do best, faster. Use Pay at Pump on your phone to pay for fuel from your car, no queuing inside. Pay at Pump provides the flexibility and speed to ensure drivers can continue their journey without needless delay.

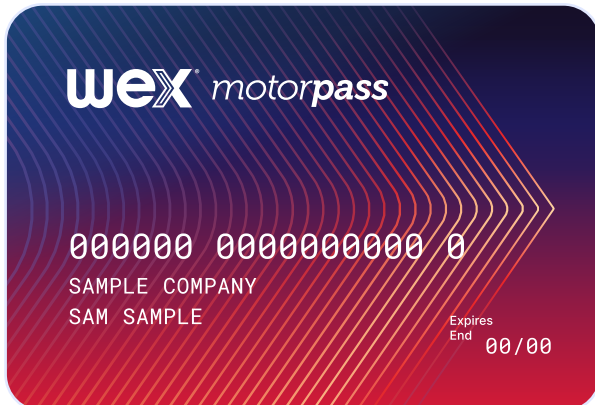

Customised offers

Get notified of exclusive offers in your area. Savings on fuel, pies and coffees pop up right on your phone. What could be better?

*Retail fuel prices are obtained from third party sources and are updated regularly in the WEX Motorpass Driver app.

Wide range of partner benefits

You can save additional money with our wide range of partner benefits.

From deals and discounts on tyres, to batteries, servicing and even accommodation, the benefits of WEX Motorpass extend well beyond the service station.
