

# EFS Checks & MoneyCodes®

## EFS CHECKS & MONEYCODES®

EFS Checks and MoneyCodes® provide immediate payment or access to cash when your EFS Card isn't an option.

This convenient and simple-to-use solution accommodates emergency needs or simple payments, such as roadside services, repairs, lumper fees, or purchases made at one of the few out-of-network fuel centers. Because an EFS Check works much like a personal or company check, it has nearly universal acceptance. EFS Checks are a cost-effective way to instantly issue payment or cash – 24 hours a day.

**Drivers can access cash when they need it;** receiving advance funds immediately

**Expedite payments** to instantly pay lumpers, repair shops or other service providers

**Reduce paperwork and administration** with streamlined reporting

**Real-time information** with immediate access to cashing information

**Complete control** to issue a payment via web or phone

**Streamlined technology** integrates with your back office; interface with dispatch software
