The Commuter Benefits Experience in Atlanta, Georgia

Lean into the future of commuter benefits with WEX, where you get multiple, seamless payment solutions no matter how your employees get to work.

The Perks of Commuter Benefits

With Commuter Benefits, employers in Atlanta can:

- Save money on your FICA taxes (7.65% savings against the pre-tax contributions)
- Provide the benefit with minimal effort on your end
- Easily educate your employees on the benefit w/ materials provided
- Plus, offering Commuter Benefits is a great employee recruitment and retention tool.

With Commuter Benefits, employees in Atlanta can:

- Save money by using pre-tax dollars to pay for transit to-and-from work*
- Use streamlined payment solutions (no paper forms, here!) that can be customized based on their preferred form of transportation.
- Use ONE platform to access both their commuter + CDH benefits
- And when they're on-the-go? Employees can access the information they need on our mobile app.

*Mass transit + parking

With Commuter Benefits from WEX, you get:

- Multiple, streamlined payment solutions.
- Seamless process (with minimal hassle).
- ONE platform, ONE debit card, and an easy-to-use mobile app for employees to access both their commuter (and health) benefits.
- For more information, go to: wexinc.co/commuter

*While we love our paperless solutions, if your employees prefer paper passes, we can support that too!

Your employees pay for their commute using their benefits debit card to purchase a Breeze Card, Breeze Ticket, and/or a CobbLinc Ticket. Employees can also use Smart Commute with their Breeze Card to automatically load funds every month.

Transit:

They can use Breeze options including the buses and the rail, Atlanta employees taking an uberPOOL or Lyft Shared to or from work can pay for the ride using their benefits debit card.

Parking:

Their funds are eligible using SpotHero and at parking garages, lots, and facilities across the city.

How it Works

You offer Commuter Benefits.

We create materials to help educate your employees.

Your employees enroll in the benefit and contribute pre-tax and post-tax dollars to cover expenses.

You track + update payroll deductions.

Your employees use ONE platform, ONE debit card, and can use our mobile app when they're on-the-go.

Simplifying benefits for everyone.
