

CASE STUDY

Top 20 US Commercial Card Issuer

➤ Problem

A top 20 US commercial card issuer and WEX partner to provide a commercial card management platform to enhance the issuer's treasury services for business. Like WEX, this partner believes in stripping away the complexities of business for their customers. They needed one platform for travel and expense, traditional payables and virtual cards. In addition to having a single platform, the ability to brand that platform, with WEX as a silent, seamless partner powering payments, was critical.

➤ Solution

In addition to implementing WEX's white-labeled solution for payments management, this issuer partners with WEX to offer their commercial clients a host of solutions to help manage their commercial clients' businesses and deepen their business relationships including a fleet card management program and health benefits accounts administration solutions.
