

# Simplify the business of running your business

➤ **WEX frees you from the administrative burdens slowing you down by streamlining:**

		
How you manage your employee benefits	How you pay and get paid by suppliers	How you modernize and manage your fleet and save on fuel costs

WEX is the global commerce platform that simplifies the business of running a business by:

- Automating highly manual processes and reconciliations
- Connecting disjointed payments and data exchange through personalized technology solutions and resources

WEX's wide range of solutions can be seamlessly embedded into your existing business systems and delivers security and scale through integrated data and analytics, and reliable performance at scale.

The continual investment in customer-focused innovations and experiences, in concert with our rich transactional data and behavioral insights, allows us to innovate more quickly to deliver new, more personalized solutions to the market.

# Customer-focused. Values-based. Innovation-driven.

## A culture of inclusion created for WEXers worldwide

To keep our promise of standing for integrity, innovation, execution, relationships and community, nothing is more important than having a culture of inclusion. And our success in the marketplace is living proof that our culture sets us apart.

Our diverse and experienced executive team, along with our 5,700-plus employees in 16 countries, uniquely positions us to have a deep understanding of the varied operating environments, service expectations, and opportunities that exist for the customers we serve.
